Note

The approved designs of Mr C T Dalal were found to contain "Engineering defects" The original Estimates of Mr Harve which were free from such defects were consider-ed too costly and the Dgl was there-fore requested to revise the Estimates in Rooms with D W (of Karve) The reduced estimates are now submitted The several items under which reduction has been effected have been mentioned in the letter (Please see Sk 809 4 pts) 6/4/00

Mr. Beach

W- Bhabha does not give us information called for in the Resp of 17th Sept as to whether any buildings have been already constructed according to W- Dalal's designs This has been again

Partially more construction

called for today, AK 2

4/12/99.

The revised designs & estimates prepared by Mr Kane & approved by the Chief Engineer seem to be all right. Any further reduction in cost seems feasible.
